

# All About BAND!

## What?

Band provides students with the opportunity to learn how to play a musical instrument while developing teamwork and leadership skills.

## Instruments?

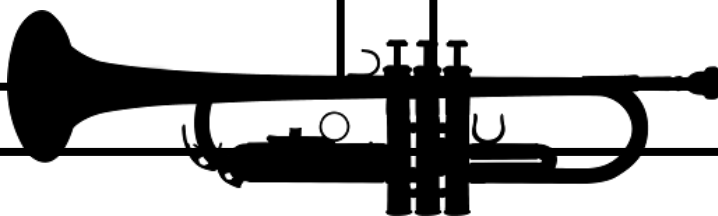

Mr. Dreyer and Mr. Carlson will have you try out band instruments and help you rent or shop for one.

## When?

You'll be pulled out of class once a week on a rotating basis for lessons. Once you're ready, you'll join the full band class!

## Why?

Being able to play music is a lifelong skill that can create lots of fun. Plus, studies show that students in band do better in school.
